

## **2-Day Professional Waxing Certification Course**

### ***Full Body Waxing + Brazilian Specialization (Hard & Soft Wax Training)***

Take your waxing skills to the next level with our intensive, hands-on 2-day certification course at Skin Aesthetics. This training is designed for both beginners and beauty professionals who want to master full body waxing techniques using both hard and soft wax, followed by advanced Brazilian waxing training on day two.

This course focuses on building confidence, speed, proper technique, and client comfort while ensuring you understand safety, sanitation, and professional standards in a real clinic setting.

**COURSE FEE \$699.00 PLUS HST – KIT INCLUDED**

***Please note you can register DAY 2 Brazilian waxing alone \$399.00***

#### **KIT INCLUDES:**

- 1 x Wax Pot
- 1 x Hard Wax
- 1 x Soft Wax
- 1 x Pack Popsicle Sticks
- 1 x Pack Disposable Thongs
- 1 x Pack of Gloves
- 1 x Manual
- Pre & Post Care Lotions

## ***Prerequisite Required - Blood Borne Pathogens Certificate***

### ***What You Will Learn***

#### **Day 1: Full Body Waxing Fundamentals (Hard & Soft Wax)**

Learn how to confidently perform full body waxing services using both wax types. Students will gain a strong foundation in technique, client care, and treatment flow.

#### **Training includes:**

- Differences between hard wax and soft wax and when to use each
- Proper wax temperature, application, and removal techniques
- Hair growth cycles and skin anatomy
- Client consultation & contraindications
- Hygiene, sanitation & professional setup
- Pre- and post-wax care
- Hands-on practice covering:
  - Legs
  - Arms
  - Underarms
  - Back & chest
  - Basic bikini line

Students will work on live models while receiving one-on-one guidance and technique correction throughout the day.

## **Day 2: Brazilian Waxing Intensive (Advanced Training)**

Day two is fully dedicated to mastering Brazilian waxing using hard wax, with a strong focus on precision, speed, and client comfort.

### **Training includes:**

- Intimate area anatomy & safety considerations
- Proper client positioning & draping techniques
- Pain management and communication skills
- Sectioning, tension control & clean removal methods
- Building efficiency and confidence
- Troubleshooting common challenges

Each student will work with **two live models** to gain real hands-on experience and repetition, allowing you to leave feeling confident and prepared to offer Brazilian waxing professionally.

---

### **Who This Course Is For**

- Beginners starting their waxing career
- Aestheticians wanting to expand their services
- Professionals looking to refine Brazilian technique
- Clinics training new team members

### **What's Included**

- Training in both hard and soft wax techniques
- Hands-on practice both days
- 2 Brazilian models provided for Day 2
- Small class sizes for personalized attention
- Professional product knowledge & setup guidance
- Certificate of Completion

## **Why Train With Skin Aesthetics Canada**

Our courses are designed to give you real clinic-ready skills, not just theory. We focus on technique, safety, speed, and building confidence so you can immediately begin offering waxing services to clients.

You'll leave this course with the knowledge, hands-on experience, and comfort level needed to perform both full body and Brazilian waxing professionally.
